DAWN AGAIN

HAZY PALE ALE

When tomorrow turns today, all we have is now. Dawn Again. No better time for a cold, reliable hazy pale with citrus-forward aromatics, a pillow-soft mouthfeel, and well-balanced hop flavoring with Cashmere, Sabro, and Chinook. Complexity without overthinking it.

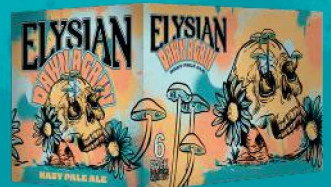

THE ART

The art relishes in a duality of contrast. You've got the grungy chaos of the color splashes in the background countered by the meticulous graphic scrawl of the skull overlaid on top. While the skull's presence is undeniable, the highly rendered details surrounding the skull steals the show; flowers bloom along the sides of the cranium, mushrooms emerge from the eye sockets with abandon, a true exploration of life emerges from the remnants of what once was.

'Dawn Again' is an adage to the flavor profile of the beer within. Approachable, drinkable, and reliable — there's security in knowing there's always another tomorrow on the horizon.
